# PARADISE YOUR PRIVATE

Once you set foot on the Hanse 590, you enter a private paradise. Exceptional layout ideas make the very best of the wide spaces. The liveability on board reaches a level of its own. Various relaxation areas delight family and friends in every moment, and cutting-edge technology supports the helmsman in everything he does. All about this yacht calls out to weigh anchor right away, grip the wheel and let the wind bend the sails.

## EASY SAILING NEVER LOOKED SO APPEALING

The Hanse 590 catches eyes and turns heads. Sleek proportions, a graceful sheerline and a reverse bow combine to create an irresistible shape. Unmatched in size, the hardtop seems to defy gravity, as if it was floating above the cockpit. With her external look, the Hanse 590 promises most enjoyable days – at sea or at anchor. And she will keep her word.

## HIGH COMFORT & PERFORMANCE IN HARMONY

Whether you are cruising the coastline or crossing the ocean: the Hanse 590 makes sailing as delightful as possible. Having all the ropes at the aft winches, the helmsman steers the yacht with ease and single-handed. Tanks to bow and stern thrusters, docking this yacht feels as comfortable as sailing her. For many owners, performance is part of the enjoyment. And the Hanse 590 delivers: With her well-balanced hull, the long waterline and the impressive sail plan you will effortlessly reach a pleasureable cruising speed.

# LIVING AREAS

AMAZING

On the Hanse 590, there are always several living spaces to choose from. Here, you experience another dimension of togetherness or privacy, depending on the moment. Among these charming spots are the newly designed meridiennes seats at both wheels. They invite everyone to have a chat with the helmsman or just enjoy the forward-facing view.

The complete aft area – from cockpit to helm – is sheltered by the biggest hardtop you will find on a 59-foot sailing yacht. Thanks to the passageway between meridiennes seats and cockpit benches, you can circulate unhindered.

Your generous bathing platform lowers with the Hanse Easy Tender System. The dinghy garage fits a tender big enough to bring the complete crew ashore. Just like the platform, the sun lounge at the fore accommodates all passengers. Shadow is provided in seconds by a large awning.

- ⌋ LOA ..... 17.57 m / 57'6"
- ⌋ Beam ..... 5.3 m / 17'4"
- ⌋ Fresh water ..... 770 l / 203 gal
- ⌋ Fuel tank ..... 520 l / 137 gal
- ⌋ Engine Diesel standard ..... 110 PS / 110 HP
- ⌋ CE Certificate ..... A-12
- ⌋ Total sail area ..... 154.00 m<sup>2</sup> / 1,658 sq ft

# LIGHT & AIR

EVERYWHERE

Two hatches next to the companionway create a sunlit opening between saloon and cockpit: the whole interior is bathed in fresh air und natural light. If cross ventilation is preferred, just open the hull windows.

When it's time to gather around the saloon table, folding chairs – stored inside the sofa – quickly create a face-to-face seating. While enjoying that sociable atmosphere, you can still get across the room walking through the galley. Besides the sofa, there is a complete navigation seat with chart table and plotter. It can also be used for some other paperwork, reading or playing games.

# OWNERS SUITE

Feel at home in a master cabin that fully lives up to its name. Your conveniences include TV, chart plotters and a separate fridge. The island bed can be positioned either in the middle of the cabin or on the port side. The port side option leaves space for a sofa and working desk at the starboard wall. This cabin layout also allows for maximum privacy, as the en-suite head is located in the bow.

Having a helping hand on board can be the greatest comfort of all. Opt for the crew cabin if you wish to take a steward with you. This cabin will be accessed from the bow and comes with a separate WC.

- ⌚ Silent Master Cabin for noise-insulated relaxation
- ⌚ En-suite bathroom with separate shower cubicle
- ⌚ Cabin refrigerator
- ⌚ Elegant king-size island bed
- ⌚ Large hull windows with magnificent ocean view
